TWO PRACTICAL WAYS FORWARD

Two Ways Forward

The priorities stay the same. Choose the path that fits your available time, internal capacity, and preferred pace.

OPTION A

DIY

Use the prioritized roadmap with your own team, keeping the recommended sequence.

- ✓ Use the 48-hour sprint to create early momentum
- ✓ Build momentum through the first-month plan, one week at a time
- ✓ Run another Snapshot after implementation to verify progress

OPTION B

48-Hour Visibility Sprint

A focused implementation engagement for the changes most likely to reduce decision hesitation.

- ✓ Confirm the decision-making evidence
- ✓ Focused website refinements
- ✓ Highest-leverage actions completed
- ✓ A new Snapshot to measure progress
- ✓ Before-and-after progress review

Whichever path you choose, finish with a new Snapshot. It will show what improved, what still needs attention, and where the next round can create the most value.

NEXT STEP

Turn the operating priorities into measurable progress.

Choose the first mission, confirm ownership and access, then capture dated evidence as the work moves forward. Record another Snapshot after implementation to verify what changed.
